

Certificate of Completion

Awarded to

Guilherme Ferrari Alves Ruggeri

BACB1074232

for successful completion of the online asynchronous course

40-Hour Registered Behavior Technician at USF/ABA - version 2.3

from 1/29/2024 to 2/23/2024

This training program is based on the RBT Ethics Code 2.0 and the RBT 2nd Edition Task List and is designed to meet the 40-hour training requirement for the RBT credential. The program is offered independent of the BACB.
